

**RESEARCH DAY MARCH 25, 2009
POSTER MAKING/PRESENTATION INFORMATION**

RESEARCH DAY SPACE AND LOGISTICS:

The poster session will be held at the McGregor Conference Center on campus. We will provide 3' x 4' poster boards and use easels to hold the boards. We are hoping you will need only one board/easel, but we know that all going to MNRS will require two boards as will those with large posters already made. **Remember to alert the CHR if you need more than one 3' x 4' board.**

ASSISTANCE WITH POSTER-MAKING FOR FACULTY AND STUDENTS:

Students: Prepare your poster from PowerPoint slides and print on 8.5 x 11 inch paper. Make approximately 12 slides which you will pin to the poster board.

Students presenting at MNRS or other national meeting: See directions for faculty below.

Faculty: You may request that the CHR graphics assistant, Hayan Al Haj Ali, print your PowerPoint slides on large (3' x 4') poster for you. You will need to make 12 PowerPoint slides and a title slide. **Send your final slides to Mr. Hayan Al Haj Ali (du9733@wayne.edu) by February, 25th** -no exceptions are possible due to anticipated volume of requests. If you choose this option, and would like additional **specific directions from Hayan, contact him ASAP so you will know how to format your poster content appropriately.**
